

## Company

For more than 150 years Steklarna Hrastnik has been a renowned global partner in developing and manufacturing world-class engineered glass products. Products are made of top-quality extra white flint glass, distinguished by perfect crystal shine and being completely free of heavy metals, recognized by some as made of the clearest glass in the world. The wide range of products includes premium bottles for spirit industry, bottles for cosmetic industry and tableware products.

Steklarna Hrastnik focuses on flexible and excellent service, short time to the market and tailor-made solutions. The company offers full range of services, from idea to development, from design to delivery.
